Employment History

Project Manager at Nashville Foodscapes, Nashville, TN

February 2017 – April 2019

Responsible for management of team members and efficiently executed landscaping and urban agriculture projects from the beginning to completion. Skilled operation of power tools and machinery. Worked directly with clients to discuss and surpass their expectations.

Hydroponic Farmer at Rally House Farms, Nashville, TN

December 2017 – January 2019

Developed and managed operation of hydroponic farm start up inside a 40 foot shipping container. Maintained internal systems and growth of heads of lettuce and herbs from seed to fully developed plant. Regularly worked with chefs and Nashville Farmer's Market customers to provide a consistently healthy and delicious product.

Tool Rental Associate at The Home Depot, Nashville, TN

March 2014 – June 2017

Provided excellent customer service in the Lumber and Tool Rental departments. Instructed customers on proper use of tools and lumber products. Cleaned, maintained, and performed minor repairs on a variety of tools and equipment.

Education

Studio Art, Austin Peay State University, Clarksville, TN

August 2004 – May 2008
